

Pull and Hold Policy

BOSCO'S™ Inc. offers you a "pull and hold" service. This in-house subscription service is a reliable way to receive the comics you read.

Put simply, you tell us what you want and when it comes in, we put it in your "box." Your "box" is a special spot just for you behind the counter. When you come in, all you have to do is ask us for the stuff in your box.

Start your "pull box" by filling out the form on the back of this page. Most people tell us what titles they want. If you want all titles by a specific publisher, artist, or writer we can do that. This is generally harder to do, but we usually get them all. Any time you can give us the actual title it will help.

To make changes to your list, you can tell us when you are in the store, call 907-274-4112, Fax 274-4117 or e-mail subscriptions@boscos.com. If there's a title you no longer wish to get, let us know as soon as possible. If you just put it back on the "new comic tables" we won't know to adjust your list and it will continue to be put in your pull box each month. (That drives everyone crazy!)

Check your box first thing when you come in to help us get things right. This keeps you from getting doubles of comics we have already pulled for you.

"New Comics Day" is usually **Wednesday** and the pulls are done later that day or the next. If you come in and wish to pull comics off the "new comics table" it's not a problem, just let us know so we do not pull them again for you.

We ask that you pick up your comics weekly. We can make special arrangements that work for you. If we don't see you for a couple months, we will try to contact you. If we cannot contact you, we may stop putting new comics in the box and we will contemplate a total "dump" of your pull! (We know you don't want that!)

What's in it for you?

- You get your regular comics in a reliable manner.
- You get first dibs on limited edition books.
- You can choose specific issue numbers if you like.
- You get regular pricing on "hot" books while they are in your hold box IF you are current in picking up your comics (one to two months).

Thank you!

WHAT'S NEW? The monthly *Previews* catalog shows comics, magazines, t-shirts, anime, toys, trading cards, games and other cool stuff that will be coming out in the following months. Lots of items we carry because customers like you request them.

You may find out about a series you never knew existed or see merchandise for your favorite character months before it hits the shelves. If you see anything in there you'd like, simply write them down on a sheet of paper or use the short order form in the catalog.

Try to get your order to us by the date on the front of the order booklet. After that date we will still try to get everything on your list but some items may no longer be available. On some unusual items we wouldn't normally carry you might be asked to put down a deposit.

Previews are \$2 for pull customers!
